		1		Install connections of existing piping to 30 inch Pelletisers PA-3502.									0
GB-3-6-03	Hot gas recycle fan	1	SS316L	Install a fan serving the 2 dryers pulling hot gas from the stack on 0,000m in building. With frame and Spring chock absorbers.	L =1779 W =597 H =1381		1,39 m ³ /s= 5000 m ³ /h	1000	30	Acoustic case by manufacturer		Supply PR01, Install VR01	0
		1		Install of Noise silencers to suction pipeline (Supply by Cabot) - 1pc				100				Supply PR01, Install VR01	0
		1		Install of Noise silencers to discharge pipeline (Supply by Cabot) - 1pc				100				Supply PR01, Install VR01	0
		1		Install of Noise silencer casing for fan arrangement (Supply by Cabot) - 1pc				150				Supply PR01, Install VR01	0
				Base see "Civill" part									0
GB-3-6-01	Combustion air fan	1		Install a new fan for the TGBs (one fan per TGB). Place on 0,000m in building. With frame and Spring chock absorbers.	L =1626 (1880) W =630 H =1772		1,39 m ³ /s= 5000 m ³ /h	700	22	AN 6cm, PL 1mm		9 Supply PR02, Install VR01	0
		1		Install Noise silencer QS-3611 on suction. Place on 0,000m in building (Supply by Cabot) - 1pc Base see "Civill" part				200				Supply PR02, Install VR01	0
		1		Remove 2 existing heating channels to dryer HD-3501									0
		1		Blind of 2pc channel to dryer HD-3601 - blind plate apr.530x530 TH 5-1pc. apr.350x350mm TH 5-2pc (refractory see part Line No 8). Final specify on site.									0
		1		Remove 2 existing heating channels to dryer HD-3602									0
		1		Blind of heating channel to dryer HD-3602 after existing channels - blind plate apr.530x530 TH 5-1pc. apr.350x350mm TH 5-2pc (refractory see part Line No 8). Final specify on site.									0
		1	CS	Modification of existing platform over HD-3601 Dryer Inlet breaching, relocation of ladder (make a place for new purge line) and more specify on site								Install VR01	1
		1	CS	Modification of existing platform over HD-3602 Dryer Inlet breaching, specify on site.								Install VR01	1
		1	SS316L	Blind of existing "schoorkeel" in Dryr drum No.1 - plate th 5 - 100X100mm SS 316L.								Supply and Install VR01	1
