### Last Buy notice

Dear Customer,

ABB hereby announces products that will move from Classic to Limited phase on 1<sup>st</sup> Jan 2020 according to the Product Life Cycle Policy for ABB medium voltage products.

Please, find the list of the concerned product versions and the corresponding replacements proposed:

Product family	Product name and version	Description	New equivalent product version	New equivalent product description
Medium voltage, live tank, outdoor circuit breakers	OHB 36.25.32	Outdoor SF6 circuit breaker for 36kV 2500A 31.5kA network	OVB-VBF 36.25.32	Outdoor vacuum circuit breaker for 36kV, 2500A, 31.5kA network
	OHB 40.25.32	Outdoor SF6 circuit breaker for 40.5kV 2500A 31.5kA network	OVB-VBF 40.25.32	Outdoor vacuum circuit breaker for 40.5kV, 2500A, 31.5kA network
	OHB 40.32.32	Outdoor SF6 circuit breaker for 40.5kV 3150A 31.5kA network	OVB-VBF 40.32.32	Outdoor vacuum circuit breaker for 40.5kV, 3150A, 31.5kA network

Limited phase means:

- Equipment availability is not ensured
- Spare parts are available (Spares are available on a best effort basis and provided as long as it is both technically and commercially sustainable)

More details:

- Product is no longer promoted by the sales force
- Service support is ensured
- Product is no longer manufactured
- Very limited and selected production might be done
- Life extension solutions are granted

Detailed information about all the life cycle status of products is available and continuously updated. You can get them through the following channels:

- On demand to ABB representatives
- Visiting ABB website at Service pages
- Periodically notified by activating a Power Care customer support agreement

The whole world of ABB services hereby represented is at your disposal for making the best use of ABB medium voltage assets at every life cycle stage:
